

CURRICULUM VITAE

- I.** (a) Name: John Oyinlola Oladeji
- (b) Date of Birth: 10 August, 1963.
- (c) Department: Agricultural Extension & Rural Development
- (d) Faculty: Faculty of Agriculture and Forestry
- II.** (a) First Academic Appointment: 4 January, 1999
- (b) Present Post (with date): Professor, 1 October, 2011
- (c) Date of Last Promotion: 1 October, 2011
- (d) Date Last Considered (in cases where promotion was not through): Nil

III. University Education (With Dates)

- (a) University of Nigeria, Nsukka (1989 – 1991).
- (b) University of Ibadan (1992 – 1994).
- (c) University of Ibadan (1994 – 1999).

IV. Academic Qualifications

- (a) B.Sc (Vocational Agric. Education), Nsukka, 1991.
- (b) M.Sc (Agricultural Extension), Ibadan, 1994.
- (c) Ph.D (Agricultural Extension), Ibadan 1999.

V. Professional Qualifications and Diplomas:

Nigeria Certificate in Education (Agric. Education), Saint Andrews College Of Education, Oyo.
1987

VI. Scholarships, Fellowships and Prizes: NIL

VII. Honours, Distinctions and Membership of Learned Societies:

- (a) Member, Agricultural Extension Society of Nigeria
- (b) Member, Nigeria Environmental Study/Action Team
- (c) Member, Nigeria Rural Sociological Association.
- (d) Member, Association for Communication Excellence in Agriculture, Natural Resources, Life and Human Sciences (ACE) Florida, U.S.A.
- (e) Merit award for selfless service to Department of Agricultural Extension and Rural Development, University of Ibadan, Ibadan, 1998.

VIII. Details of Teaching Experience at University Level:

(i) Undergraduate Departmental Courses

	<u>Course No.</u>	<u>Course Title</u>	<u>Units</u>	<u>Academic Sessions</u>
(i)	HES 210	Introduction to Home Economics (co-taught)	2	1998/99 to 2001/2002
(ii)	AES 310	Agricultural Extension Education (co-taught)	2	1998/99 to 2005/2006
(iii)	AES 313	Educational Psychology (co-taught)	3	1998/99/ to date
(iv)	AES 410	Community Agricultural Extension (co-taught)	2	1998/99 /to date
(v)	AES 513	Extension Communication Systems and Methods (co-taught)		1998/99/ to date
(vi)	AED 317	Development Communication (co- taught)	2	2008/09/ to date

(ii) Postgraduate Departmental Courses, Units and Sessions Taught

	<u>Course No.</u>	<u>Course Title</u>	<u>Units</u>	<u>Academic Sessions</u>
(i)	AES 711	Extension Teaching and Communication (co- taught)	2	1998/99 to 2001/2002 2005 to 2009
(ii)	AES 710	Principles, Concepts and Process of Extension Education and Development	2	2002/2003 /to-date
(iii)	AES 716	Measurement and Scaling Techniques in Extension	2	2002/2003 / to-date
(IV)	AES 717	Research Methods in Extension	2	2004/2005/ to-date

(iii) Project Supervision (Completed as of July 2011)

B. Sc.	M Sc.	PhD
45	38	16

(iv) Other Academic and Administrative Responsibilities

(1)	Departmental Representative in Faculty Publication Committee	1999 to 2002
(2)	Departmental Representative on Registration of Courses Committee	1999 to 2002
(3)	Member, Departmental Postgraduate Committee	2002 to 2008
(4)	Member, Departmental Staff Seminar Committee	2001 to 2005
(5)	Member, Departmental Publication Committee	2009/ 2010 session
(6)	Departmental Postgraduate Coordinator	2009/2010session
(7)	Departmental Undergraduate Coordinator	2010 to 2015
(8)	Head, Department of Agricultural Extension & Rural Dev.	2019 to date.

IX. Research
(i) Completed

1. Choice of Career among Secondary School Students in Oyo State.
The study investigated the basis for the choice of careers amongst students in secondary schools in Oyo State and percentage of the students that are likely to take agriculture as a career. The findings revealed that many of the students are not ready to take agriculture as a career. They believed agriculture as a career is too laborious and meant for older people in the society.
2. Medicinal Value of Selected Crop Plants in Oyo State.
The study identified the knowledge levels of people concerning the use of certain crop plants in curing diseases and the mode of disseminating or transferring the knowledge about the use of crop plants to cure ailments among the people. The result showed that many Crop Plants we have around us have various medicinal value. Leaves various crop like Pawpaw, Mango and Citrus can be used to cure malaria, typhoid fever and body pain. Bitter-cola can be used to cure cough and throat related ailments.
3. Rural Neglect of Development Programmes in Egbeda Local Government Area of Ondo State. The study assessed local government effort in bringing development to rural community, the type of projects in the community, the beneficiary participation in the project execution and the aspect of beneficiary participation in the project. The study led to the publication of article 22.
4. Assessment of Farmers' Awareness and Use of the Nigerian Agricultural Insurance Scheme in Ekiti State. The study assessed the awareness and use of the insurance scheme by farmers in Ekiti state and how much of the services provided are used by the farmers. The study led to the publication of article 30.
5. Coverage of Agricultural Advertisement in the Newspaper. The Study assessed the coverage given to Agricultural Advertisement by the News Paper editors, the most Advertised Agricultural Advertisement Category. The Study led to the Publication of article 15.
6. Effects of Nomadic Pastoralists in Savannah Grassland area of Oyo state Nigeria. Funded by University of Ibadan Senate Research Grant. The study assessed the effect of nomadic pastoralists on savannah grassland in Oke- ogun area of Oyo State. This led to publication of article 42.

(ii) In Progress

1. Participatory Approach to Community Development; Impact of Communication Channels. The study assesses the influence of communication channels on community development using participatory approach to development. The study is still at data collection stage. In-depth interview have been carried out with different key informant in the society but Focus Group Discussions (FGD) are yet to be carried out among various groups such as men, women and youth.

2. Production and Marketing Performance of Farmers Participation on Cassava Initiatives in Nigeria. The study assesses the farmers yield as a result of the government initiative on Cassava. The study is at the data analysis stage.
3. Socio-Economic Implications of Human Trafficking on Household Livelihood in Southwest, Nigeria. The study assesses the reason for human trafficking and its likely influence on the livelihood of the people in the Southwest, Nigeria. The study is at the data collection stage.

(iii) **Dissertation and Thesis:**

1. Content Analysis of Agricultural Advertisements in Four Nigerian Newspapers, M.Sc. project, University of Ibadan, Ibadan.
2. Content Analysis of Visuals and Information Cues of Agricultural Advertisements in Nigerian Newspapers. Ph.D. Thesis, University of Ibadan, Ibadan..
